ABOUT ME

*Antonio Rolle,
A survivor, Grand Bahama native,
A man predestined for great things!*

Antonio explored many genres of music, being afforded the opportunity to sing with BAHA MEN. As he was raised in a Christian home there was no doubt gospel would be a major part of his life. He found his calling as a singer/songwriter in the ministry of Gospel. His songs are not only being played locally but on some of the biggest international radio shows.

Another Level is his new album that encourages listeners to realize their purpose, declaring that life is a gift to be treasured. It is a lesson Antonio learnt very early after he faced a near death experience at birth.

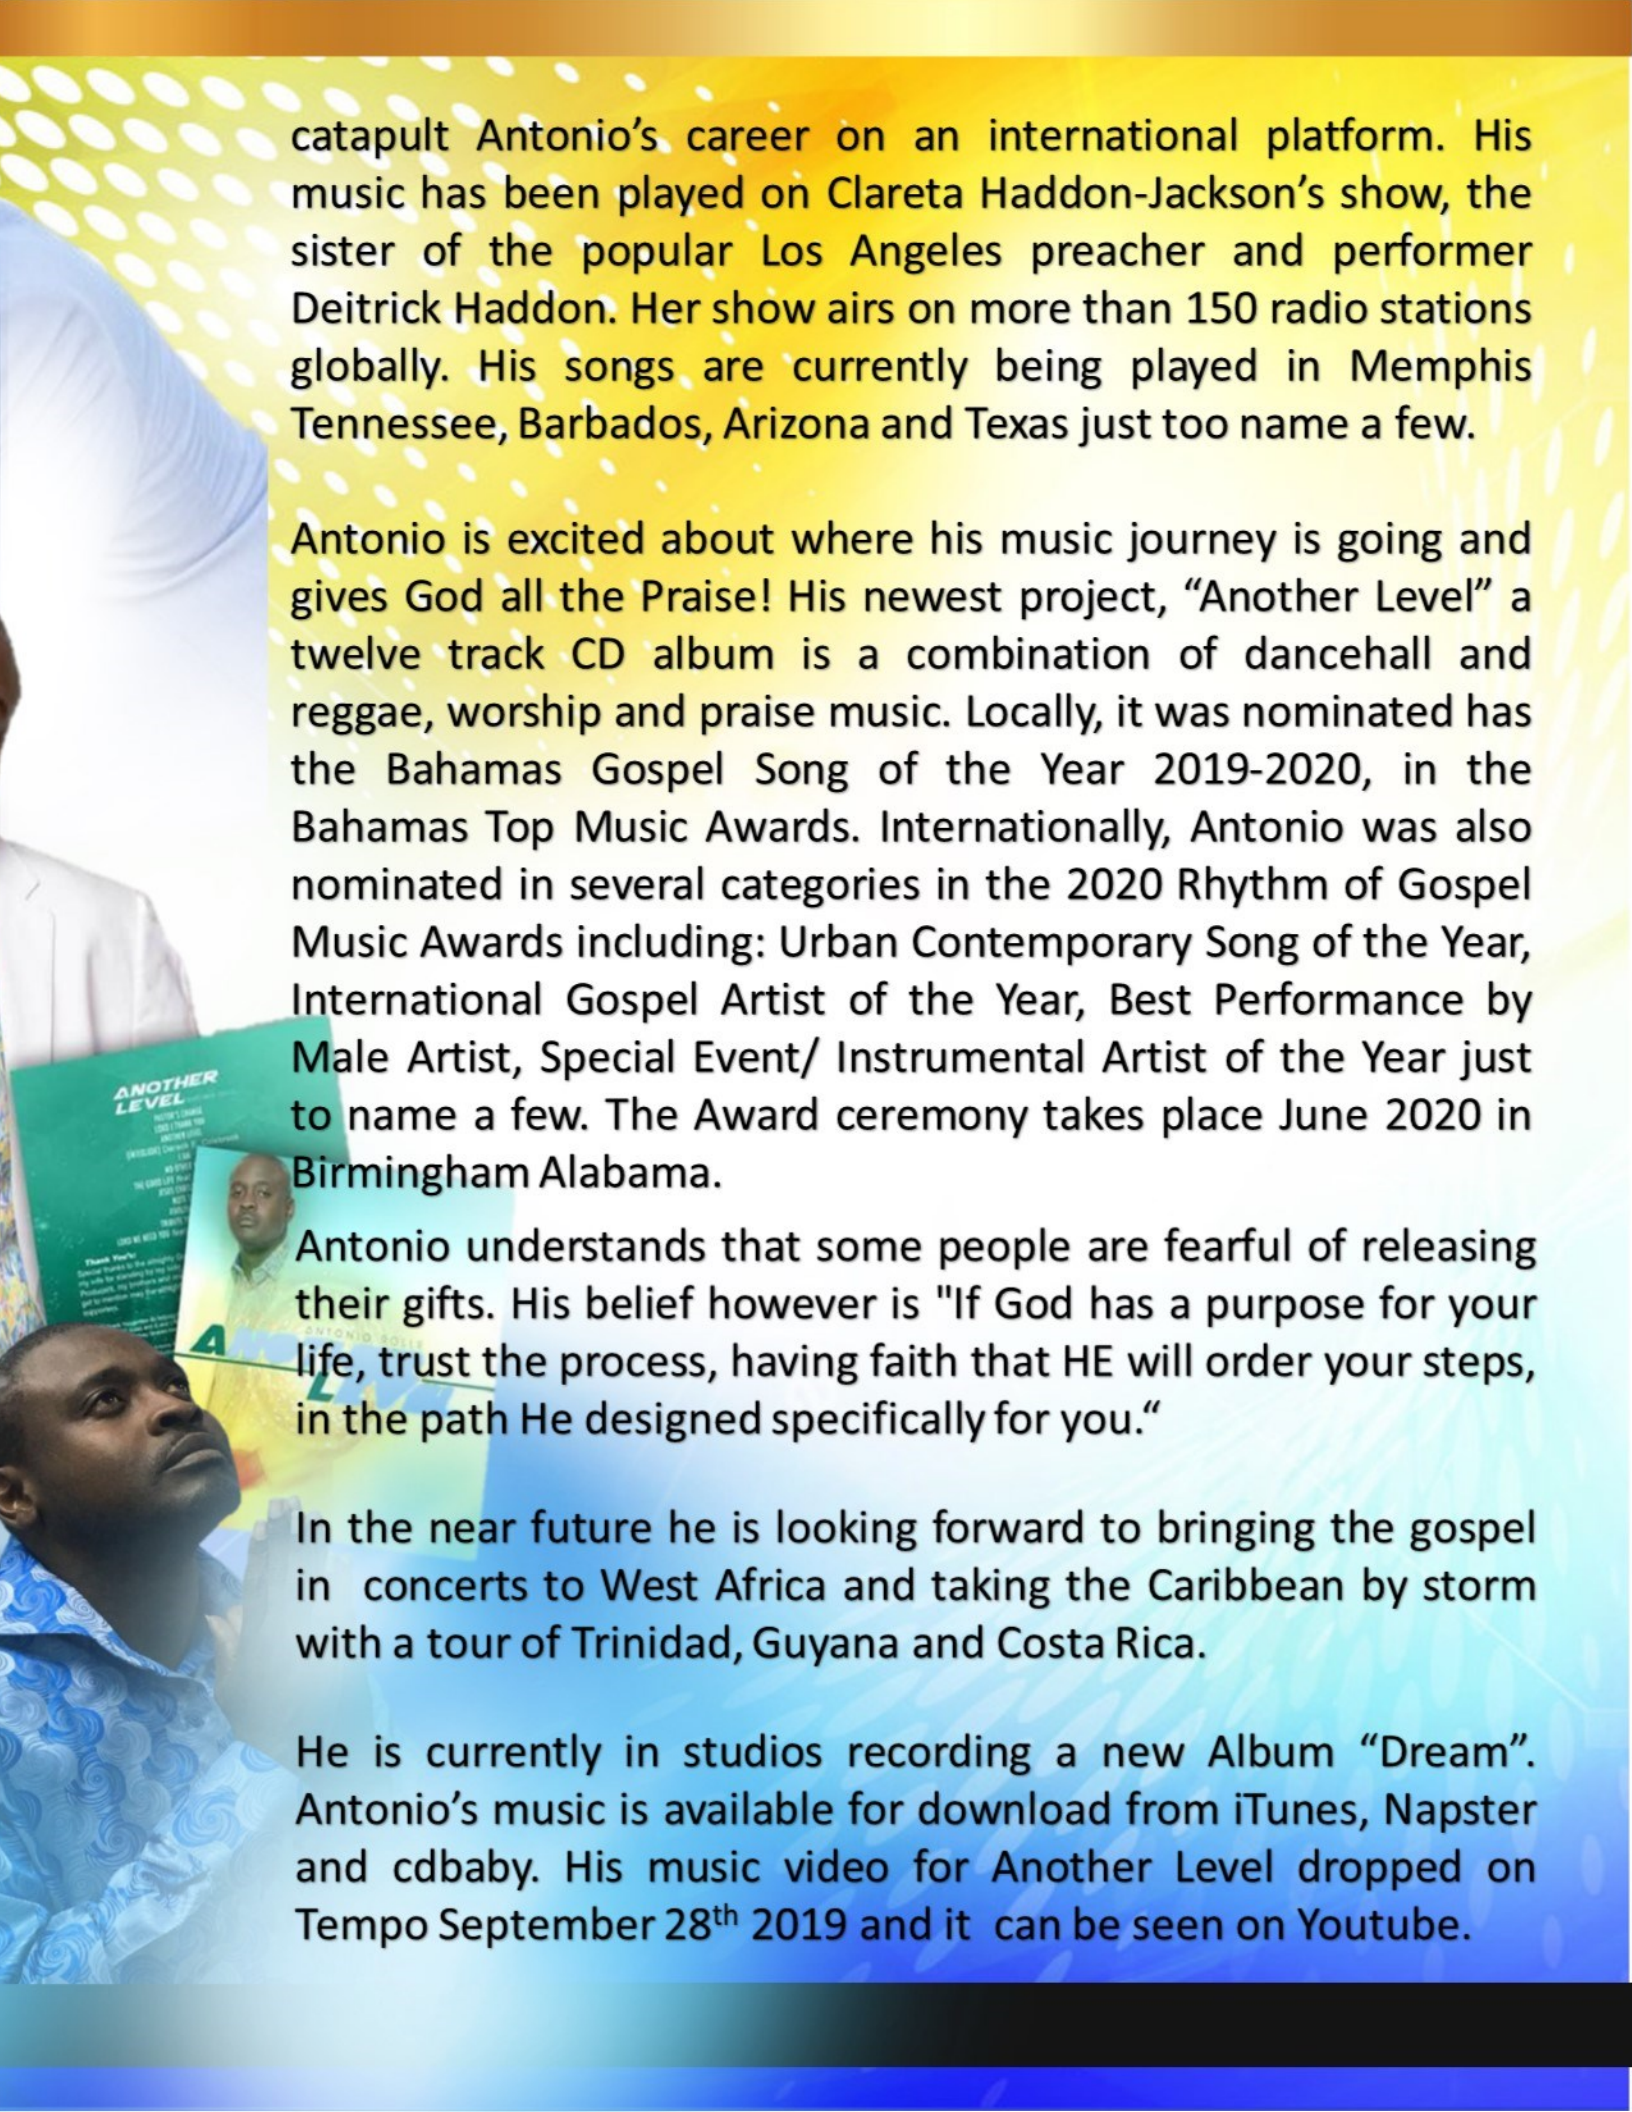

Antonio is the youngest of seven and at an early age he was diagnosed with a brain tumor. He was immediately airlifted to the United States for surgery and treatment. It was clear that God had a plan for his life. Antonio made a full recovery and went on to do great things.

His earliest memories were singing at Mount Tabor Church and he became lead soloist of the children's choir. They appeared on Mount Tabor television show, "Power of the Blood".

Over the years his skills as a performer grew as he would often be asked to perform at local events, such as singing the National Anthem at The Hugh Campbell Basketball Tournament, boxing matches and track meets.

His career in Gospel music began to grow as he steadily made a name for himself within the local Gospel community. From there popular gospel artist Orlando Miller aka LandLord

catapult Antonio's career on an international platform. His music has been played on Clareta Haddon-Jackson's show, the sister of the popular Los Angeles preacher and performer Deitrick Haddon. Her show airs on more than 150 radio stations globally. His songs are currently being played in Memphis Tennessee, Barbados, Arizona and Texas just too name a few.

Antonio is excited about where his music journey is going and gives God all the Praise! His newest project, "Another Level" a twelve track CD album is a combination of dancehall and reggae, worship and praise music. Locally, it was nominated has the Bahamas Gospel Song of the Year 2019-2020, in the Bahamas Top Music Awards. Internationally, Antonio was also nominated in several categories in the 2020 Rhythm of Gospel Music Awards including: Urban Contemporary Song of the Year, International Gospel Artist of the Year, Best Performance by Male Artist, Special Event/ Instrumental Artist of the Year just to name a few. The Award ceremony takes place June 2020 in Birmingham Alabama.

Antonio understands that some people are fearful of releasing their gifts. His belief however is "If God has a purpose for your life, trust the process, having faith that HE will order your steps, in the path He designed specifically for you."

In the near future he is looking forward to bringing the gospel in concerts to West Africa and taking the Caribbean by storm with a tour of Trinidad, Guyana and Costa Rica.

He is currently in studios recording a new Album "Dream". Antonio's music is available for download from iTunes, Napster and cdbaby. His music video for Another Level dropped on Tempo September 28th 2019 and it can be seen on Youtube.
